Special Needs (Blind)

Bio:

This handsome guy has been at our shelter since January 1, 2021. He hasn't had an easy life and has a history of abuse. He is shy around men but isn't aggressive. He is very sweet and loves snuggling on the couch.

Max is blind and would need an owner who would be willing to work on sound commands with him as he was never taught basic commands (sit, stay, etc.). He would also always need to be on leash during walks.

Max's perfect home would have a fenced back yard, have some kids to run around with and would go on a long walk daily.

1 Example Way, King City, ON

Dog Tales was founded in 2014 by an animal-loving husband and wife - Rob and Danielle. Both had been involved in rescue for years before finally deciding that the best way to help animals was to open a rescue of their own.

"I've adopted 2 dogs from Dog Tales."
